

Santa Fe School for the Arts & Sciences EXPLORATION Summer Camps

All camps are 9:00-3:00 (except Art Camp which is 9:00-12:00)

- Week 1** _____ **June 14-18** **Art Camp with Cristina Gonzalez**
9:00-12:00 am (with the option for small private lessons between 1:00 and 3:00)
Creative mark-making in an outdoor environment! This year's Art Camp will focus on drawing and painting in the landscape, on the school campus. We will learn techniques for describing unique textures and how to organize them into expressive, personalized visions of the natural world around us. Cost: \$100
For students entering grades 6-10
- Week 2** _____ **June 21-25** **Comic Book & Graphic Novel Camp**
The art of comic book storytelling! Learn how to develop a drawing technique uniquely your own, create a memorable cast of characters and bring your wildest ideas to life on the page. We'll examine tricks of the trade employed by artists working in all different styles throughout the century-long history of this exciting, ever-changing medium.
Cost: \$200
For students entering grades 7-10
- Week 3** _____ **June 29-July 3** **Cooking Camp**
Come to this yummy summer camp. Enjoy making delicious dishes from around the world, featuring tasty, vegetarian dinner dishes & desserts. We will also be making food decorations, learning delicious stories and games from different cultures!
Cost: \$190
For students entering grades 5-8 only
- Week 4** _____ **July 5-9** **"Making Movies" Professional Film Camp**
For students entering grades 7th - 11th who are passionate about making movies and are willing to act, direct, film and edit using Final Cut Pro. Spend a week improving your moving making skills (storyboarding, filming, editing, special effects and more) using state of the art computer editing equipment. At the week's end, we have a film festival and all students will receive a dvd with their movies. Cost: \$200
For students entering grades 7 – 11
- Week 5** _____ **July 12-16** **Photography Photoshop Fun!**
Come learn how to take great pictures! In this fun beginner photography class, we will focus on the basics of digital photography including composition, lighting, and depth of field. Learn how to set up your shots and edit them using Adobe Photoshop to really make them “pop”. Each student will be able to print 2 prints and burn a CD will all of the photos they took throughout the week. The class will end with a slideshow that features the student's best work. Cost: \$200
For students entering grades 7-10
- Week 6** _____ **July 19-23** **Japan Camp**
Konnnichiwa! This camp is for serious Japanophiles who are interested in Japanese culture, language, manga, anime, Para Para, art, origami and food. Share and learn drawing techniques, favorite comic books, watch movies, make sushi, listen to Japanese music, play DDR & Sumo, learn Japanese and have lots of fun! Help create our Japan festival scheduled for Friday, July 23th ! Cost: \$190
For students entering grades 5-8.

Santa Fe School for the Arts & Sciences EXPLORATION Summer Camps

Week 7 _____ **July 26-30** **Biking Camp**

Come have a blast in the great outdoors as we **bike** to special destinations to explore, relax and celebrate! We'll spend a day at the BMX trail, and we'll also take very special trips through the countryside and hills surrounding Santa Fe. Be prepared for fun, fun, fun, as we exercise and enjoy Santa Fe's natural treasures. Bring hats, helmets, and sunscreen! Safety first, all the way! You must have your own bike and helmet!

Cost: \$200

For students entering grades 6-8.

Week 8 _____ **August 2-6** **The Coolest Math Camp Ever!**

A mix of math and summer fun will keep this camp upbeat and positive. 3 hours of math skills review and practice and 3 hours of active play - games, swimming, bike riding, and more with Gary, the coolest math teacher on the planet! Brush up on skills, fill in the gaps, and hit the ground running for school! Cost: \$200

For students entering grades 7th and 8th
