The Lion's Club International sponsors a Peace Poster contest each year. Lion's Club judges come to our school and choose their favorite peace posters to represent their club at the state level. If one of our posters wins at the state level, it moves to the national and then the international competitions. The winning poster will hang in the United Nations and the artist and their family will be flown to NY for the award ceremony. Our school has had the state winner twice in 5 years!

The theme this year was, "Vision of Peace" and the competition was fierce! Be sure to stop by the middle school and check out all of the wonderful posters. We will have a cards of every poster available for ordering soon.
